Having been internally re-designed and completely refurbished, this collection of six bespoke one and two bedroom apartments are now available to view. Located in the heart of Bromley Town Centre these exceptional homes have been finished to an exacting standard and offer unique and spacious accommodation. Apartment two is a split level one bedroom property with its own private roof terrace. In our opinion the footprint of 587 sq ft is excellent for a one bedroom property and the layout comprises as follows; entrance hall, bedroom with terrace access and Porcelanosa bathroom. The first floor provides a spacious open plan kitchen/living area with Kreider fitted kitchen, Smeg appliances and vaulted ceiling. **\*\*Photos are of show flat\*\***
